

# Have fun making a lobster hat!

## What you will need

- Scissors
- Sticky Tape
- Glue Stick
- Colouring in Pens or Pencils

## How to make

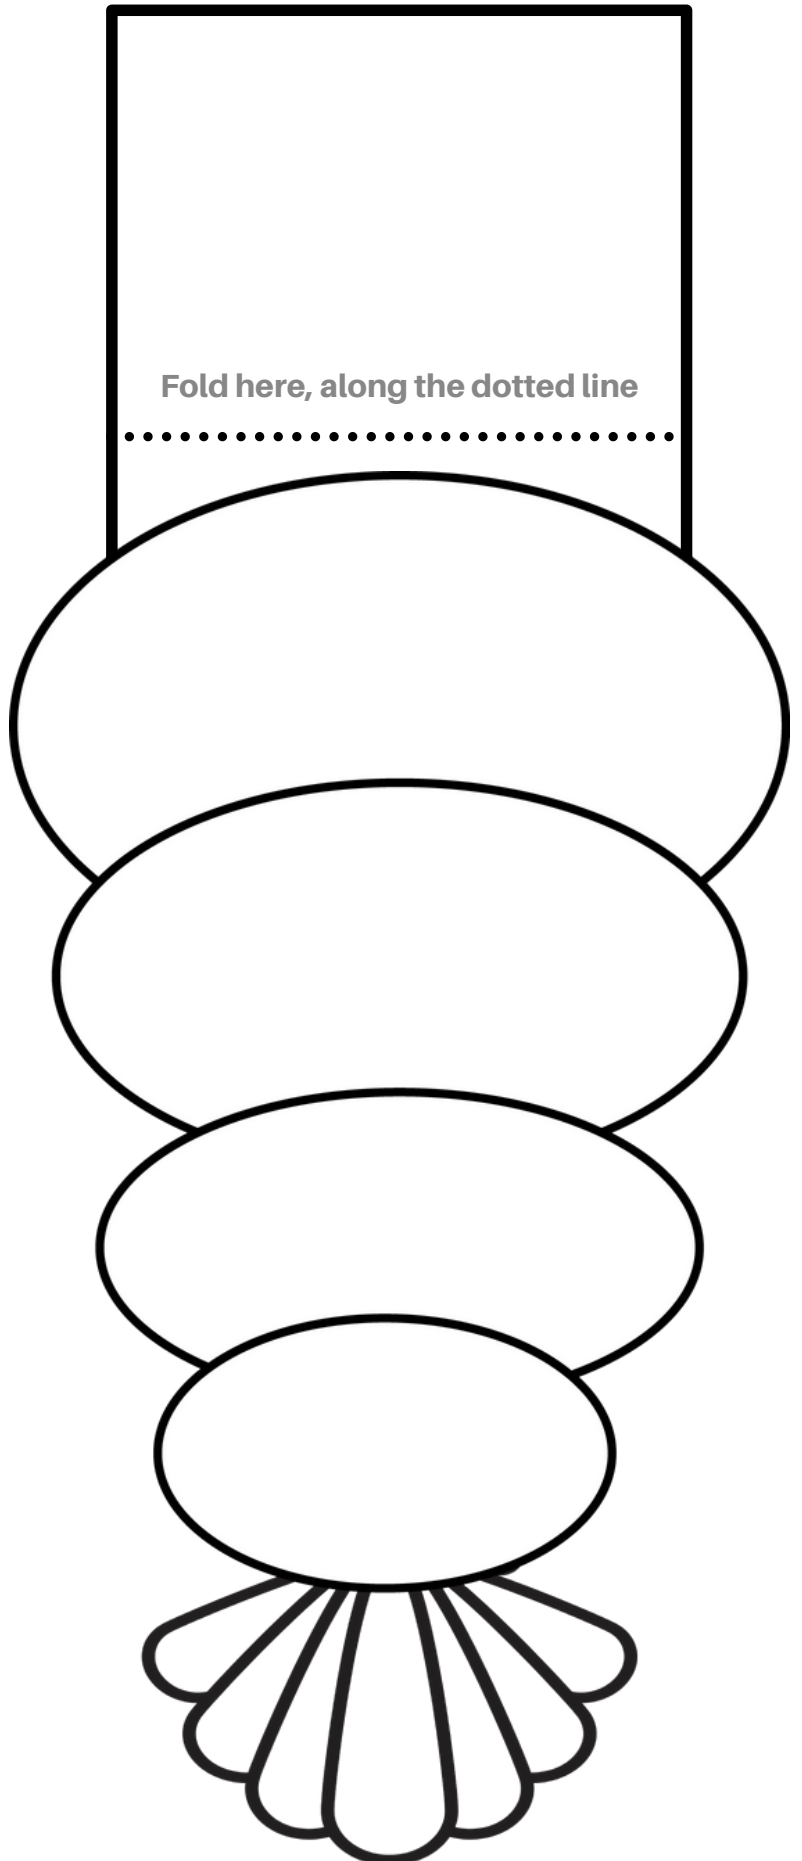

1. Download and print this lobster hat template.
2. You can print this template onto white card and colour it in your favourite colours or if you would like to print this out on coloured card you will also need to print out a 2nd copy of page 3 on white paper too (you only need the eyes and mouth from this copy).
3. Cut out your chosen template pieces and you can begin to assemble your hat.
4. Stick the 2 ends of the headband together at one end.
5. Glue the eye stalks, eyes and mouth on the lobster head and stick to the central area of the headband as in the photo above.
6. Stick the antennas and claws in place.
7. You can then take the headband and measure around the child's head and stick the 2 ends together in place so the hat with fit.
8. Fold the abdomen/tail fin cut out along the dotted line and stick onto the back of the headband, as in the photograph above, to make the Lobster's abdomen and tail.

Headband

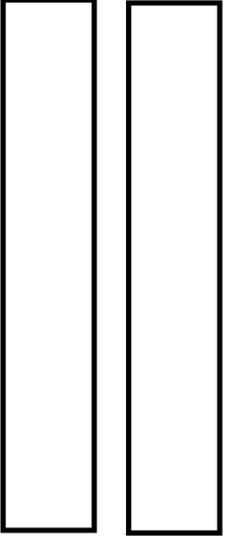

Headband

Lobster's abdomen & tail fins  
for the back of the hat

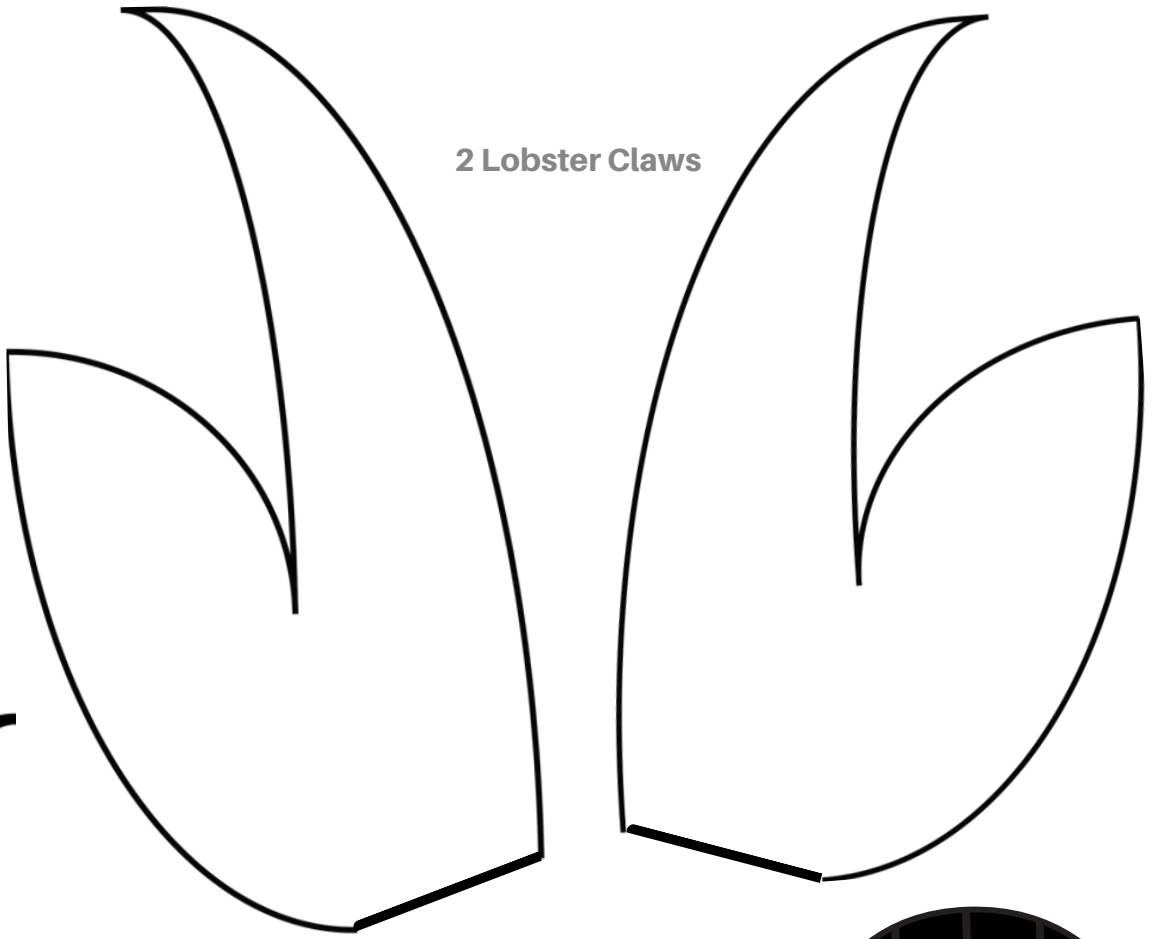

Fold here, along the dotted line

2 Eye stalks

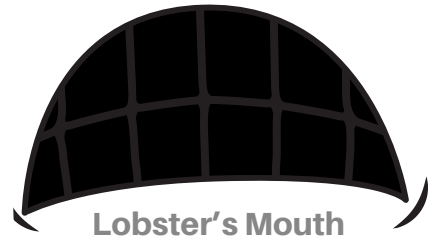

2 Lobster Claws

Lobster's Antenna 1

Lobster's Head

Lobster's Antenna 2

Lobster's Mouth

Lobster's Eyes
